

## Poster Presentation Evaluation Form

### Purpose

This form is tailored to evaluate the effectiveness of poster presentations, with a specific focus on the intern's ability to present, explain, and deliver their research findings. It emphasizes the quality of the poster, the clarity of explanation, and the delivery skills, ensuring a thorough assessment of both visual and oral presentation aspects.

### Evaluation Criteria

Criteria	Description	Score
<b>Poster Appearance</b>	Visual appeal, organization, and adherence to academic standards in poster design.	
<b>Content Quality</b>	Relevance, accuracy, and logical flow of information presented in the poster.	
<b>Clarity of Explanation</b>	Ability to clearly explain the research objectives, methods, results, and conclusions in a concise and logical manner.	
<b>Engagement with Audience</b>	Presenter's ability to maintain audience interest through interactive and engaging explanations.	
<b>Delivery Skills</b>	Confidence, articulation, and body language during the presentation.	
<b>Handling of Questions</b>	Ability to address audience questions accurately, confidently, and thoughtfully, demonstrating deep understanding.	
<b>Time Management</b>	Adherence to allocated time while effectively covering all key aspects of the research.
